

Poster Sessions Guidelines for Presenters

Format/size of the posters:

Portrait orientation (vertical) and cannot exceed 90 cm (width) x 120 cm (height).

Before the poster sessions:

- When preparing your poster, use adequate letter type and size to ensure good readability. Well-designed figures, graphs and tables will enhance the attractiveness of your poster.
- The title on your poster should be identical to the title of the corresponding abstract.
- Posters should show the names and affiliations of all contributing authors appearing on the abstract.
- Posters should be mounted 10 minutes before the session begins at the day of your poster presentation. Mounting materials will be available in the poster area.
- The presenting author should be in the vicinity of his/her poster during the poster viewing period of his/her poster.
- You are advised to bring hard copies of your poster as handouts.

Thank you very much for your contribution to EAM 2016
